Dear Friends,

We are thrilled that the Mike Slive Foundation's PROSTATE CANCER RESEARCH specialty plate has been approved for Alabama! Proceeds received by the Foundation from this tag will support prostate cancer research.

Thank you for helping us get the PROSTATE CANCER RESEARCH tag into production this year. *We must have 1,000 paid pre-commitments in 2018 for production to begin on the Prostate Cancer Research tag.* Feel free to share this information with your friends, family members or others who might also want to sign up!

Once we have reached 1,000 commitments you will receive a notification email from the Alabama Department of Revenue office. The email will be sent to the address you provide pre-commitment purchase form and will contain a receipt and a Commitment to Purchase Voucher for the distinctive plates. You will present this to the licensing official's office for redemption of your specialty plate.

Here are some details you should know as you reserve your tag:

- \$50 commitment per vehicle (plus \$5 initial tag fee when you pick it up); \$50 renewal per tag each year – ***the MSF will cover your first year's commitment fee!***
- Personalize your tag at no extra charge – you can transfer your current personalized tag
- \$41.25 from each tag goes to the MSF to fund prostate cancer research

Please complete the enclosed form to reserve a tag for your car, or all of the vehicles registered in your name! This form also gives the Mike Slive Foundation a limited power of attorney to submit the pre-commitment form on your behalf.

When you have completed your form, please drop it in the mail to us. Our address is:

Mike Slive Foundation
PO Box 530748
Birmingham, AL 35253

If you prefer, you may scan the completed form and email it to:
info@MikeSliveFoundation.org

We will submit the applications we receive in batches to the DMV, with a check from the Foundation to cover the initial commitment fee. You will be notified when we have reached 1,000 pre-commitments and it is time for you to head to the DMV to get your tag.

If you have any questions, please feel free to contact us at:
info@mikeslivefoundation.org

Thank you for being our ally in the fight against prostate cancer!
